LYNDOCH TO GAWLER (13KM)
Jack Bobridge Track
Established in 1837, Lyndoch is one of South Australia's oldest towns and home to a number of boutique, family-owned vineyards and cellar doors. The town boasts traditional artisans, Hill Rose Garden. Varying in its degree of difficulty, this leg of the Jack Bobridge Track is a great introduction to off the normal tourist routes using local farm roads that take you with some of the best views of the Barossa's rural landscape. This ride connects Tanunda via Smith Road or Jane Place to Rowland Flat, best known for its proximity to Jacob's Creek – the site of the Barossa's first commercial vineyard. Steingarten or ‘Stone Garden’ is a hint of the original railway sleepers were recycled and linked to the Steingarten Loop for a longer and more challenging ride.

MAWSON TRAIL MEANDER (10km)
This linear ride can supplement the Jack Bobridge Track to make a loop by following a骑路线 on the Western Barossa rim. While there are some short climbs to get up onto the rim the ride then becomes a series of steady rises that will reward you with some of the best views of the Barossa's rural landscape. This ride connects Tanunda via Smith Road or Jane Place.

GOMERSAL LOOP (11km)
Linking Lyndoch to Seppeyfield, this route takes you off the normal tourist routes using local farm roads that feature broad acres and big skies. Autumn through to late Spring are the best times to experience this route, however if you venture off this route in Winter you are likely to get stuck in the mud if you use Hoklas Road so a detour onto Gomersal Road is recommended.

TRAIL GRADINGS
EASY – Suitable for novice cyclists, families and others seeking a flat cycling terrain. Any type of bike is suitable and the route is predictable.
INTERMEDIATE – Undulating ride that requires a multi-gear bike and some self confidence in bike handling skills. Some cycling experience is needed.
ADVANCED – Some challenging climbs and descents requiring good bike handling skills and a good level of fitness.
