41st Barossa Wine Show 2017

Wines of Provenance Results

A pleasure to judge the Provenance Class for the second year!

This is an exercise in not only wine quality but house style, style evolution and ageability.

To view a region through the prism of three vintages is an instructive exercise and the wines on the bench guided us well! Robust discussion of five shortlisted wines led us to a taste off between two – a white and a red.

All wonderful wines of their variety and vintage and progression through maturity.

Glory to Barossa.

The 14's showed plush and generous fruit but oak too often unbalanced.

*Disappointing class with untamed tannins, and many non descript dry reds.
Cabernet grown in the right place is excellent, needs attention in the vineyard.*

A really interesting and classic class, the top wines were diverse and in style, lots of power, concentration and judicious use of oak. Lesser examples showed over extraction and drying/hard tannins.
