# SOUTHERN BAROSSA

## Panoramic Wine & Food Trail

### Proudly supported by the SBA

Lyndoch sits in the heart of the idyllic Southern Barossa, with panoramic vistas stretching in every direction. There's a staggering vista from just about everywhere – the deck of your accommodation, the gorgeous roads that wind you past viewpoints and photo opportunities, and along the trails linking local cellar doors and attractions.

The views from aptly named 1837 Barossa, God's Hill Wines, Kellermeister Wines and Schild Estate Wines are breathtaking. It's not just the views that are amazing Lyndoch will serve up an abundance of the Barossa's renowned food and wine experiences. There's a deep sense of connectedness with early European settlement, reflected in sites such as the Barossa Colonel Light Monument, which commemorates the birthplace of the Barossa and you might fly over if you take a scenic flight with Barossa Helicopters. An opportunity to stroll through the purple fields at Lyndoch Lavender Farm, or walking amongst 30,000 rose bushes at Barossa Chateau.

Williamstown is bordered by the rolling vines of the Barossa and forms a perfect base to explore bushland teeming with wildlife at Mt Crawford Reserve and Parra Wirra Recreation Park, the region's scenic reservoirs or discover the Whispering Wall.

It couldn't be easier to get here, just an hour's drive from Adelaide! For a true Barossa experience with generous hospitality in an incredibly beautiful environment, plan a visit to Lyndoch and Williamstown in the Southern Barossa soon.

### Supported by The Barossa Council

Please don't walk, ride or drive amongst our vines. We have some of the oldest vines in the world. Your shoes, clothing and tyres can spread pests and diseases. Enjoy our wines. Protect our vines.

'We acknowledge the Ngadjuri, Peramangk and Kaurna people and their ancestral connection to land and pay respects to Elders past, present and emerging.'
