**A MESSAGE FROM LANGTONS**  
**TAMARA GRISCHY, GENERAL MANAGER**

Welcome to the LANGTONS X Barossa Australia Fine Wine Auction.

On behalf of the entire LANGTONS team, I am delighted to welcome you to the 2025 LANGTONS X Barossa Australia Fine Wine Auction. This event is one of the true highlights of our calendar—where passion for fine wine, connection with community, and the thrill of the live auction experience all come together in one unforgettable evening.

For over a decade, LANGTONS has proudly supported and promoted the Barossa Auction. There is simply nothing like the energy in the room when fine food, exceptional Barossa wines, and the excitement of live bidding combine. Sitting shoulder to shoulder with winemakers and fellow collectors, vying for rare and hard-to-find wines, makes for a uniquely memorable experience.

The legendary reputation of Barossa is built not just on the excellence of its wines, but on the authenticity and generosity of its people. This event reflects that spirit—offering guests the rare opportunity to bid on special wines and experiences sourced directly from some of the most iconic wineries in Australia. Provenance is guaranteed, with many of the wines coming from deep within winery cellars—rare back vintages that offer both immediate drinking pleasure and long-term collectible value.

I am especially proud that a portion of the proceeds from all lots being auctioned tonight goes directly to the Barossa Australia Wellbeing Fund—an initiative supporting mental health and wellbeing within the Barossa community. As someone who has spent decades in the Australian wine industry, I know how vital these support networks are, and I'm grateful that this event contributes to such an important cause.

Since our founding in 1988, LANGTONS has been a cornerstone of Australia's fine wine scene. While we've evolved into so much more than an auction house, these live events remain at the heart of who we are.

It's an honour to be here with you tonight. Enjoy the bidding, the food, the wine—and may your memories of this evening linger long after the final hammer falls.

# Helping The Community

## *Barossa Australia Wellbeing Fund*

The well-being of the Barossa community has always relied on a strong sense of togetherness and willingness to pitch in, help out and lend an ear where needed.

A portion of the proceeds from all auction lots will be directed to the Barossa Australia Wellbeing Fund. This community fund, under the auspices of Foundation Barossa, provides educational and functional support to the wine and grape-growing - and adjacent - industries by fostering programs dedicated to mental health.

Barossa Australia Wellbeing Fund seeks to equip the community with the tools to better understand and communicate issues pertaining to mental health, as well as providing active support for those experiencing hardship, their family, friends and colleagues. Funds raised by Barossa Australia Wellbeing Fund contribute to formal mental health first aid training, with a focus on identifying issues, the importance of self-care, and supporting those in need.

SHIRAZ

In the Penfolds tradition of innovation our winemakers, in 1995, embarked on a project titled RWT meaning 'Red Winemaking Trial' - to create a new Australian Shiraz, integrating the rich, generous flavours of Barossa Valley Shiraz with the finesse of tightly grained French oak. The result is a fine wine of great elegance and depth of flavour.
