

Heritage Experiences

The Barossa has a rich and accessible history. The many and emerging heritage experiences are a credit to the passionate community groups who preserve and share our Barossa heritage with visitors and locals alike.

The land that today we call the Barossa has – for tens of thousands of years – been the spiritual and physical home of the Peramangk, Ngadjuri and Kurna people, who continue to carry this unbroken cultural connection into the 21st century.

Heritage Experiences
