The heritage heart of the Barossa where an abundance of cafes, restaurants, artisan producers, cellar doors, craft breweries and sophisticated retail offerings await. Our town is the perfect place to begin your adventure to discover the Barossa's world famous food, wine, culture and festivals – and the people who make up our community. Tanunda is an excellent base for families, with green parks and open spaces, playgrounds and picnic spots, walking and cycling trails, and a great variety of family-friendly restaurants and cellar doors. We invite you to explore the heritage of the Barossa, where the historic centres of Langmeil and Goat Square are tangible links to our past and reminders of the richness of our culture. We look forward to seeing you in Tanunda, where the diversity and generosity of the Barossa is waiting to welcome you.

BEAUTIFUL TANUNDA

Tanunda
heritage heart
of the Barossa

Please don't walk, ride or drive amongst our vines. We have some of the oldest vines in the world. Your shoes, clothing and tyres can spread pests and diseases.

We acknowledge the Ngadjuri, Peramangk and Kaurna people and their ancestral connection to land and pay respect to Elders past, present and emerging.
